RE: Dave Shostack v. Motors Liquidation Company Et Al.

Index. No: 09-50026 (REG)

Dear Justice Gerber:

I am still in the process of preparing a rebuttal to Defendant's Opposition to my Motion to lift the automatic stay against Defendant Motors Liquidation Company and General Motors due to the fact that an attorney that I was consulting with was not available due to bad weather.

Therefore I am respectfully requesting a few more days to respond to Defendant's Opposition papers. Can you give me until Feb 4, 2011 to respond?

Thanking you in advance for your understanding.

Sincerely,

Dave Shostack
